## How to use this Price List ?

### 1. How to Use This Price List ?

This document is a **complete and transparent reference** designed to let you calculate the cost of your stay independently, without hidden fees.

Cove Eco Resort is a remote private-island 🌴 dive resort with a limited number of cottages, fixed transfer schedules, and activities that depend on season, occupancy, age, and diving level.

For this reason, **all prices in this document are pre-calculated.**

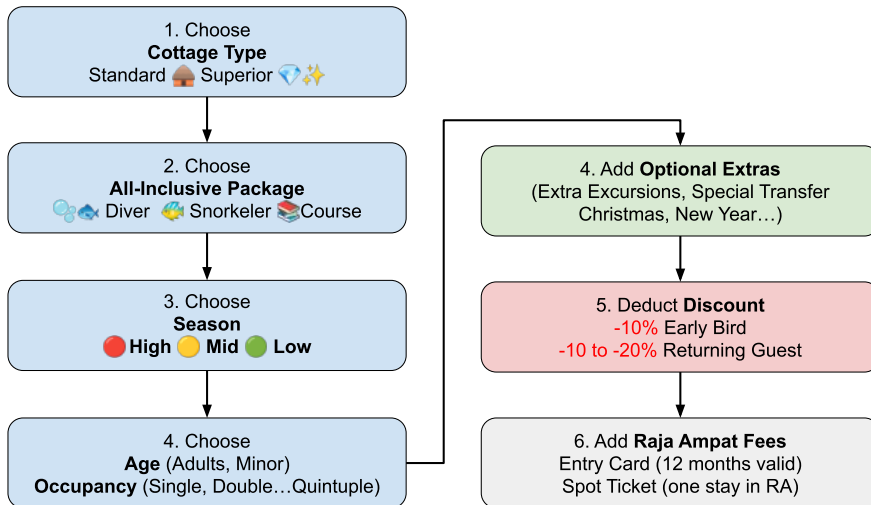

### 2. Why is this price list detailed ?

Instead of showing base prices with adjustments, we chose to:

- show **final prices per person, for each season**
- include **all occupancy and age variations**
- clearly state **what is included and what is not**
- describe **all rules and schedules upfront**

👉 This approach avoids misunderstandings and allows you to plan your trip with confidence, especially for stays that are often booked **6–18 months in advance.**

### 3. How to Calculate Your Stay Price ?

#### Special Discount:

1. For Booking at **least 12 months prior arrival**:
  - **-10% Early Bird** discount
2. For **Returning Guest**:
  - **-10%** for the 2nd stay
  - **-15%** for the 3rd stay
  - **-20%** for the 4th and further stay
3. For KITAS holder (resident in Indonesia) and Indonesian Citizen:
  - **-10%** Local Discount

Discount Applies only to:

- ✓ **Direct Booking**
- ✓ **Reservation Total Cost** (excluding Raja Ampat Handling Fee, Insurance)
- ✓ **Total discounts combined is maximum -20%**

Discount does not apply to:

- ✗ Booking via Travel Agent
- ✗ Raja Ampat Handling Fee, Insurance

  - October to April
- **Mid-Season** (mid-rates)
  - May
  - August
  - September
- **Low Season** (lowest rate)
  - June
  - July

💡 **Good to Know – June & July, the "Hidden Gem"**

June and July are classified as low season mainly due to historical liveboard travel pattern between Raja Ampat and Komodo, as well as main tourism season in South East Asia.

In practice, these months often offer **pleasant conditions**, and our **most attractive rates**, with fewer guests overall.

As with all nature-based destinations, conditions may vary, but many experienced divers and snorkelers consider this period an excellent value.

### 2. Cottage Type

- **Standard Cottage** (Maximum 2 Adults + 1 Child or 1 Adult + 2 Children)
- **Superior Cottage** (Maximum 5 persons)

#### Standard Cottage:

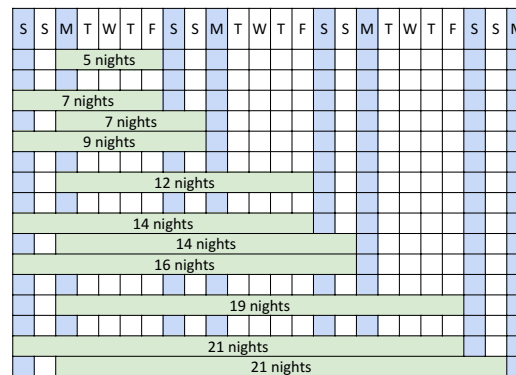

- 👤 Best For: Couples
- 🏠 Vibe: Simple, cozy accommodation

#### Superior Cottage:

- 👤 Best For: Couples looking for more comfort, Groups, families (up to 5)
- 💎 Highlights: ✨ Added luxury & privacy (away from common areas)

### 3. Length of Stay & Arrival Day:

- 7 nights / 8 days Saturday to Saturday / Monday to Monday
- 9 nights / 10 days Saturday to Monday

Cove Eco Resort operates on fixed arrival and departure days due to the remote location and shared transfers. We do not offer other weekdays.

**Arrivals and departures are restricted to only Monday or Saturday**

Stays are offered in fixed durations (5, 7, 9, 12, 14, 16, 19 or 21 nights)
